The following items of business will be conducted at the meetings:

Additional Budget Notes

1. 2015 Dollars - All costs are stated in 2015 dollars unless otherwise indicated.
2. Books and Records - The books and records for the Association are maintained at: 1390 Celebration Boulevard, Celebration, Florida 34747. The person responsible for the upkeep and custodianship of the books and records of the Association is the Treasurer of the Association, (407) 566-3000.
3. Related Party Transactions - DVD is a Florida corporation and a subsidiary of The Walt Disney Company ("TWDC"), a Delaware corporation. DVD acquired the property under the terms of a ground lease by and between Walt Disney Parks and Resorts U.S., Inc. ("WDPR"), a Florida corporation, (formerly Walt Disney World Co.), its successors and assigns, as successor by merger to Walt Disney World Hospitality & Recreation Corporation ("WDWHRC"), and DVD. WDPR is also a subsidiary of TWDC. The terms of the ground lease permitted DVD to develop the Condominium on the property located in Orange County, Florida, for the purpose of offering prospective purchasers ownership interests in Condominium units as part of the vacation ownership plan. Unless otherwise extended, the ground lease will expire on January 31, 2054, and vest to the benefit of WDPR.

Certain directors or officers of DVD or DVCMC serve on the Board or as officers of the Association. Certain directors or officers of the Association are also employees of TWDC or its affiliates.

DVD retains no less than 2 percent of the total ownership interests in each unit declared in the Condominium and is responsible for annual dues with respect to its retained or unsold ownership interests. Of that amount, DVD has retained ownership interests equivalent to approximately 280,776 vacation points. In addition, DVD had unsold ownership interests equivalent to approximately 26,064 vacation points as of December 31, 2013. During the year ended December 31, 2013, DVD annual dues paid to the Association were \$1,074,192.

DVCMC, a Florida corporation, is the manager of the Association and is also a subsidiary of TWDC.

Management fees payable to DVCMC are 12 percent of the total operating and reserve budget exclusive of real estate taxes, transportation fees, and the management fee. Management fees incurred during the year ended December 31, 2013, were \$4,922,233.

DVCMC has an agreement with the Association whereby DVCMC may operate a resort hotel with respect to the rental of unreserved accommodations in the Condominium. Gross proceeds, resulting from the rental of unreserved accommodations, are retained by the Association up to an amount equal to 2.5 percent of the adjusted operating and replacement budget, as defined, in each calendar year, as breakage revenue. During the year ended December 31, 2013, the Association received \$1,376,231 in breakage revenue.

Substantially all operating expenses have been allocated to the Association from DVCMC, and certain operating expenses have been rendered by or incurred through other TWDC entities.

Amounts due to or from DVCMC are payable in full and due on demand. As of December 31, 2013, the amount due from DVCMC of \$275,393 related to annual dues collected but not yet remitted to the Association, net of allocable expenses.

4. Management Agreement - The Association currently has a three-year management agreement ending April 9, 2016 with DVCMC. Thereafter, the management agreement automatically renews for successive periods of three (3) years each, upon its scheduled expiration, unless either party gives the other written notice of nonrenewal, as stipulated in the agreement. DVCMC provides on-site management and maintenance services, and off-site administrative and accounting services.

Pursuant to the management agreement, DVCMC has been delegated the authority by the Association to provide all services, through employees and experts retained by it, incidental to the management and operation of the Condominium. In connection therewith, substantially all operating expenses have been allocated to the Association from DVCMC. However, certain operating expenses may be incurred through other TWDC entities.

5. Vacation Homes - Wherever used throughout this budget, the term Vacation Home does not include studio or one bedroom accommodations that comprise part of a two bedroom lockoff Vacation Home.
6. Use Availability Periods - Pursuant to Section 721.13(3)(c)1, Florida Statutes, the total number of 7-day annual use availability periods currently registered with the State of Florida is 45,288.

Estimated Ad Valorem Taxes for January 1, 2015 through December 31, 2015

The amount of ad valorem taxes assessed against each Unit will be determined by the Orange County Property Appraiser's Office and the Reedy Creek Improvement District Appraiser, respectively. The estimated ad valorem tax assessments to be included on your 2015 Annual Dues billing statement will be \$1.1447 per Vacation Point. This is DVCMCs best estimate of the actual taxes which will be assessed for the tax year 2015. DVCMC does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment.

2015 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2015 through December 31, 2015 are \$5.1749 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$3.1161 per Vacation Point), the estimated Annual Capital Reserves Budget (\$0.9141 per Vacation Point) and the estimated ad valorem taxes (\$1.1447 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$5.1749. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$1,190.23.
